INTRODUCTORY MESSAGE

«» «» «» «» «» «» «» «» «» «» «» «» «» «» «»

Dear Ones,

- * Are you a magnet to abundance?
- * Do all good things flow to you easily and effortlessly?
- * At this very moment do you feel: open, connected and prosperous?

Webster's New World dictionary defines "prosperity" in the following way: to flourish, to grow vigorously, succeed, thrive, to be at the peak of development, peak of activity, peak of influence, etc.

We define prosperity as an open-hearted state of "beingness" that not only feels good in the moment but, by means of the Law of Attraction, also makes us a magnet to all the wonderful experiences we desire.

To be in harmony with the Universal Law of Attraction we must:

- 1) Gain clarity about what we want
- 2) Put our energy in alignment with what we want
- 3) Become open to receiving what we want - in every moment

Over time, working with my clients, I have learned that the first two steps are the easy ones. The challenge for most of us lies in the third -- being in a state where we are open to receive.

Author Rick Jarow teaches that the energy center located around the human heart is the 'seat of prosperity'. He explains, "Abundance is our deep energetic connection to the Life force while prosperity is the specific material conditions we are able to create in our life and in the lives of others." He reminds us that, as the purpose of the physical heart is to circulate blood, the greater opportunity around this heart center is for us to learn to keep our hearts open so that we may circulate our sense of abundance "with everything and everyone."

At this time of year when the media is preoccupied with romance, chocolate, cards and flowers, this e-book has been designed to help you tap into the awesome magnetizing power of your heart.

Give yourself a priceless gift of turning your focus inward towards releasing all blocks to receiving greater joy, increased prosperity, invigorating soul partnerships, calming peace, and enhanced self-esteem.

Love and light,
Elyse Hope Killoran

THREE STEPS TO DELIBERATE CREATION

«» «» «» «» «» «» «» «» «» «» «» «» «» «» «»

As like energies attract, the key to attracting a new desirable experience into your life is to send out energy as if this is already the truth of your current experience.

And, as the Universe (and your unconscious mind) can't tell the difference between energy radiating outward in response to real life circumstances and energy sent out in response to vivid imagery, by envisioning yourself circulating energy from a place of true prosperity, you will be bringing yourself into vibrational harmony with an increase in your "real world" prosperity.

According to the teacher Abraham (<http://www.choosingprosperity.com/abraham-hicks.htm>), Deliberate Creation involves a three-step process:

1. You "ask"
2. The universe responds
3. You receive

Sound simple? It is. Unless we "get in our own way."

Now we can't mess up step 1. We're always asking (if not with our words, certainly with our vibrations.) At every moment that life experience "happens to us" and we respond with a "yes, more of that" or a "no, not that," we propel desire out into the Universe.

And step 2 is guaranteed. The universe is well organized, totally predictable, and its laws are absolutely consistent.

So if step 1 and step 2 happen without fail, why do so many of us have the experience of asking for things that never show up?

The answer is: blame it on "step 3." Step 3 gives us the most trouble.

You see, you are asking all of the time and the universe is always answering – but, if you do not trust that what you want is on its way to you, you may not be "letting it in."

This lack of trust, along with our "scarcity mentality," is the foundation of the old paradigm of "human being separate from the flow of universal energy." As we consider ourselves to be separate from the flow, we are blocking the Universe's power to deliver on our requests.

Does your body become:

- tight?
- constricted?
- drawn in?

Do your thoughts and emotions become:

- fearful?
- negative?
- limited?

If so you are well acquainted with the experience of "closing your heart" and "blocking the flow" with resistance.

Resistance stems from fear, separation and scarcity consciousness. When we go into "resistant" mode we have over-identified with the part of us that is physical (and we have under-identified and/or disconnected from the part of us that is Spirit.)

We learn as human beings that when a physical "thing" is blocking us we can move it by pushing it away. Unfortunately, we generalize this behavior and when a situation arises that is not physical in nature (for example our water heater begins to leak or a family member insults us) we typically respond by mentally (and emotionally) pushing against the experience to make it "go away".

When we feel "constricted", "resistant" or "shut down" we are actually cutting ourselves off from our connection to the universe.

Consider this:

- Can you feel expanded and afraid at the same time?
- Can you feel jealousy and a sense of freedom at the same time?
- Can you blame someone and feel unconditionally loving at the same time?
- Can you feel resistant and prosperous at the same time?

Most people find that the answer to all of these questions is: "no".

So isn't it self-explanatory that closing your heart and creating resistant energy blocks prosperity? Can you see that shutting off the valve that connects you with your well-being at this moment is the greatest barrier to your overall experience of prosperity in the next moment?

TELECLASS TO OPEN TO PROSPERITY

«» «» «» «» «» «» «» «» «» «» «» «» «» «» «»

“Are you understanding that appreciation and self-love is the most important tool that you could ever nurture? That the appreciation of others and the appreciation of yourself is the closest vibrational match to your Source energy of anything that we have ever witnessed? When you are appreciating or when you are loving or when you are acknowledging the value of something, you are in that moment a vibrational match to the Source that is truly you.” [Abraham-Hicks](#)

February Money Breakthrough Teleclass:

Unleashing the Power of “Love” to Accelerate the Flow of Abundance in Your Life

[Click here to register for the Thursday, Feb. 22nd 8:00PM ET class](#)

[Click here to register for the Tuesday Feb. 27th 3:00PM ET class](#)

The previous Money Breakthrough classes have focused upon:

1. The process of launching your creations
2. Letting go of heavy vibrations that are keeping you apart from your good

In this third class we will be focusing upon becoming a vibrational match to the energy that allows all good things to stream to you...

And, because we're focusing on this topic around Valentine's Day, we're going to explore this subject by focusing upon the amazing accelerating power of **Love**.

Consider these facts:

- **Love** is vibrational energy...
- The vibration of **Love** is equivalent to the vibrations of Joy, Freedom & Prosperity.
- The symbolic image of **Love** across time and cultures has been the heart.
- The key function of the heart is the circulation of life-giving essences throughout the body.
- In addition, the heart moves vibrational energy through the body as well
- The ability to consciously expand life-enhancing energy vibration lies at the "heart" of our ability to create prosperity -- from the inside-out.
- Once you truly understand this, you can ride the wave of the vibration of love to attract all your desires.

Personally, Elyse enjoys abundance in all areas of her life -- specifically an abundance of time, money, freedom, fun, friendship, peace and love. (Check out her [pictures](#) online.) Although her "reality" (as a business owner, single parent, home-owner and mother of 11 & 13 year old boys) might be one in which you would expect stress, time-constraints and monetary-challenges, Elyse has drawn into her life a vast array of people, opportunities and financial resources which enable her to provide very well for her family while doing what she loves: coaching clients, leading "Money Breakthrough" programs and teaching teleclasses. And she has seen her share of proof that, "the better it gets, the better it gets!"
